## A Note from our Superintendent:

Dear community members,  
 We have had a great start to the school year! And, we are excited to share with you the opportunities we are developing in the School District of Altoona. Especially exciting is knowing that the work we are doing in our schools is a direct result of feedback from our community. In May of 2021, 60 community stakeholders joined us in discussing their vision of the future of the community of Altoona along with what knowledge, skills, and experiences they believe students need to be ready to thrive and lead in the Altoona of tomorrow. We used their feedback to develop a strategic plan. The key strands of the plan are **Academic Outcomes**, **Future Ready Outcomes**, **Personal Success Outcomes**, and **Operational Outcomes**. These four strands are braided together to result in **Tomorrow Ready Citizens**. We are grateful for the opportunity to build the future of our community and proud to have a plan that directly represents community input. To demonstrate our on-going commitment to ensuring our community's feedback comes to life in our schools, this newsletter will continue to be organized by strand and will showcase the learning, programs, and opportunities in our schools.

The future of Altoona is promising and exciting. Thank you for your partnership and support as, together, we make our schools and community the very best it can be.

My best,  
*Heidi Eliopoulos*  
 Dr. Heidi Eliopoulos  
 Superintendent

## Welcome!

The School District of Altoona has entered into an agreement with Prevea Clinic, Inc. Prevea will provide Dr. Ulgen to serve as our Medical Advisor. Brittany Engel RN, our school nurse, will collaborate with Dr. Ulgen to ensure all students receive the highest quality health services.

Nurse Brittany will provide health services to students when they are in schools and other educational settings. Her goal is to treat student injuries or illnesses and advise students, their parents or guardians, and staff on health issues.

We welcome Dr. Ulgen and Nurse Brittany to the district!

## Academic OUTCOMES

By: Heather Kretz  
AIS & AMS Parent

“I wish my kids would learn about finances and how businesses work in school!” Ever thought of or heard that? We are happy to share that Junior Achievement provides lessons on how to kids make sound financial choices, how to run your own business, and ways to explore career choices are happening in our classes!

New this school year, JA will be hosting a career fair at AMS with more than 15 local businesses representing various career clusters. During the career fair, students will partake in lessons on basic employability skills, including a Q&A panel from local employers. 8th grade students will also get to experience hands and eyes-on career learning opportunities this school year, as they enjoy site visits to local businesses highlighting various career clusters.

If you're interested in hearing more about the program and volunteering your time, please reach out to: Heather Kretz; [hkretz@market-johnson.com](mailto:hkretz@market-johnson.com), Education Managers: Brenda Peterson [bpeterson@javis.org](mailto:bpeterson@javis.org) and Allyson Barka [abarka@javis.org](mailto:abarka@javis.org). <https://northwestwisconsin.ja.org/community/eau-claire-county>

## 3RD GRADE READING PARTNERSHIP

with the Altoona Football Program

The Altoona Football team partnered with the Altoona 3rd grade class to promote reading during the month of March! Each 3rd grade classroom adopted a football player who read to the class twice during the month, while students also participated in a reading challenge. At the end of the month, each class had a student identified to “pie” their adopted football player! Coach Hanson and Elementary Principal Leslie Lancette also took pies in the face!

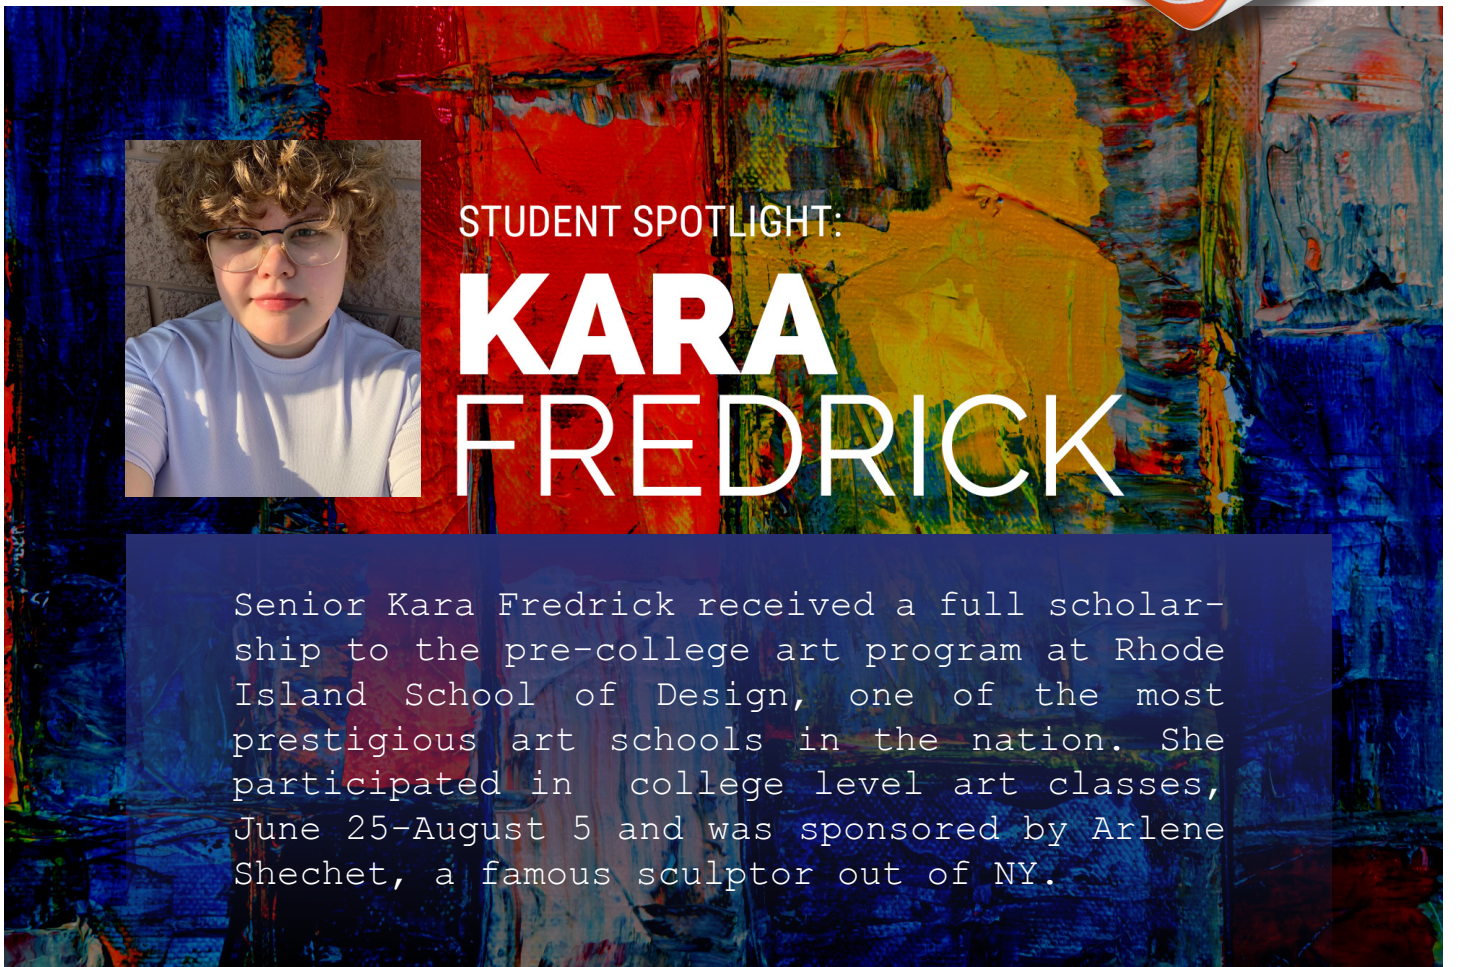

# VIRTUAL REALITY

Imagine holding a beating heart in your hand, visiting a distant planet, climbing to the top of a volcano and watching lava bubble, or walking through the ancient ruins of Greece! These are just a few of the Virtual Reality Experiences students have participated in this past school year.

During the 2021-2022 school year, our district purchased 4 cases of ClassroomVR headsets for students and staff to use to bring their classroom learning to life. And staff and students alike had a blast trying out a new way to learn!

Virtual Reality is just one of the unique ways we connect our students to the learning space of tomorrow!

STUDENT SPOTLIGHT:

# KARA FREDRICK

Senior Kara Fredrick received a full scholarship to the pre-college art program at Rhode Island School of Design, one of the most prestigious art schools in the nation. She participated in college level art classes, June 25-August 5 and was sponsored by Arlene Shechet, a famous sculptor out of NY.

## SCHOOL-BASED MENTAL HEALTH (SBMH) SUPPORTS

### What is School-Based Mental Health?

- Provides students the opportunity to receive therapeutic supports in the school setting, during school hours
- Connects students with professionals who are clinically licensed therapists and regularly treat concerns related to mental health
- Allows students to receive integrated emotional, behavioral, and therapeutic supports that can be beneficial to their educational experience

### Who can receive School-Based Mental Health Services?

- Students who display higher levels of social-emotional challenges such as feelings of depression, anxiety, or difficulties regulating their mood. Situations that arise that might necessitate intervention on a therapeutic level might include:
  - Divorce/Family Changes
  - Death of a Family Member
  - Complicated Medical Diagnosis
  - Difficulty with Attention
  - Traumatic Life Event

### Parent/Guardian Role

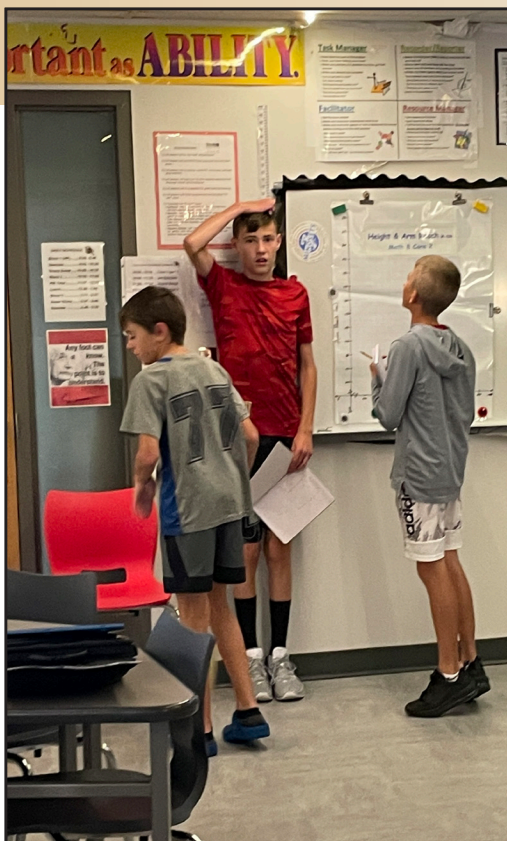

- Parents/Guardians sign a permission form for the School-Based Mental Health Coordinator to review insurance and determine network providers
- Parents/Guardians are provided applicable resources
- Parents/Guardians sign a release of information for the district to communicate with their child's therapist

### Who can I contact?

Stephanie Rohe, School Social Worker (Grades 4K-5),  
715-839-6050, ext. 272, srohe@altoona.k12.wi.us

## Teaching Teamwork in Math

Students in grades 4K-12 have mathematics programs that teach more than just math. They also work on employability skills, skills employers throughout Chippewa Valley have indicated are a need when they are hiring employees. The problem-based nature of the lessons requires students to use reasoning, critical analysis, and justification of their thinking and answers. College Preparatory Mathematics, the math program used with students in grades 6 through 12, gives students fewer problems to solve than a typical math textbook, allowing them time to persevere in solving problems. Students make sense of the math by working in study teams. They share information, provide clarification to each other, build on the ideas of others, and critique other students' work. The problems are non-routine which encourages application and extension. Problem solving, teamwork, and communication with others are critical skills our students need to be effective in the work world today!

## SURVEY ABOUT FACILITY NEEDS

During the 2021-2022 school year, the School District of Altoona conducted a population study and a comprehensive facility study. These studies confirmed two things:

1. The District is going to continue to grow
2. Current facilities are not large enough for the student population and programs

As research about available options began, an unexpected opportunity was uncovered. NBI, located at 1218 McCann Drive, would be willing to sell us their building if the community would support our purchasing it. This would allow the addition of a school building while saving millions of dollars over building new.

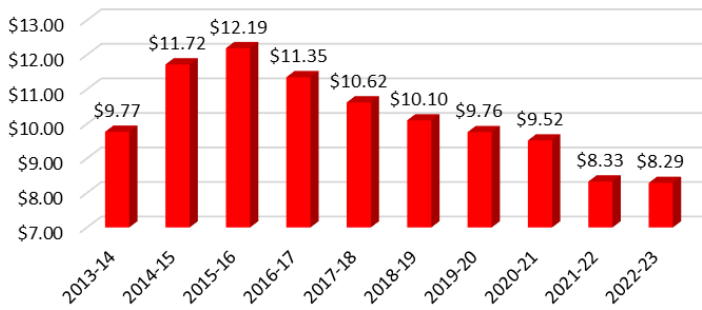

But, the community members are the owners of the school buildings. The Board and administration won't move forward with any remodeling projects until you have given your feedback about what types of projects you would support. We want to be transparent and tell you that any project to address our space needs would need to go through a referendum process. This would occur in April of 2023. Our goal in considering a referendum would be to meet our space needs while being financially responsible with the impact on our community members' hard-earned dollars.

During the second week in November, every household will receive a survey. The survey will ask about support for purchasing NBI and remodeling it into a school. It will also ask about support for a variety of other facility projects that could be considered now or in the future. Please take the time to give us your input!

## Seal-a-Smile

Annually, we partner with NorthLakes Community Clinic to host school-based dental clinics for students. Wisconsin Seal-A-Smile (SAS) grants local school-based oral health programs funding to provide preventive dental care to children in more than 850 schools across Wisconsin. The school-based dental outreach program operates within schools so students can have easier access to dental care. Below is the summary of services provided here for students in 2021-2022.

School:	AES	AIS	AMS
Students Served:	231	218	4
Teeth Sealed:	212	375	4
Fluoride Varnish Applications:	690	648	12
\$ in Preventative Dental Care Provided:	\$78,172.66	\$83,747.67	\$1,374.80

The Seal-A-Smile provides preventative dental care the students receive right at their school. Every child is eligible for the program regardless of insurance. If you have any questions, please contact Northlakes Community Clinic at 715-934-0100.

## Girls Tennis : Finishes the Season at Team State

The Girls Tennis finished their season at the WIAA Team State Tournament on October 21st and 22nd; something that hasn't been done since 2015. To make it there took a great deal of hardwork from every team member, several of which competed in the 2022 WIAA Girls Tennis Individual Championship, Thursday-Saturday, Oct. 13th-15th at Nielsen Stadium in Madison. Congratulations to Josie Reчек, Ava Bremer, Sofia Bach, Katelyn Beltz, Bella Bauer and Josie Rondestvedt in your participation in the Individual State Tournament! Another congrats goes out to the student athletes, Coach Emerson, Coach Dressel and Coach Barr for another Middle Border Conference Championship, making it back-to-back years the team has been crowned champs. Congratulations Girls Tennis on an outstanding season!

## Girls Golf : Dominating the Classroom and the Course

The Golf Coaches Association of Wisconsin (GCAW) announced Academic All-State, which included our very own team members! Congratulations to Brianna Coenen (High Honors), Lauren Anderson (Honors), Karalyn Skinner (High Honors), Lydia Jensen (High Honors) and Elli Anderson (High Honors) in receiving these honors.

The Girls Golf Team finished their season strong, placing third at the 2022 WIAA State Girls Golf Tournament which took place October 10th & 11th at University Ridge, Madison. These student-athletes serve as a great example to others, proving that academic and athletic successes are not mutually exclusive.

## Girls Volleyball : MBC Co-Conference Champs

The Girls Volleyball Team finished their season on Tuesday, October 18th, having lost to St. Croix Central in Regionals. The team finished the season with an overall record of 25-12 and splitting the Middle Border Conference Championship with Baldwin-Woodville.

## Fall Sports : End of Seasons

The conclusion of fall sports takes place during the publication of this newsletter. All student athletes recognized for All-Conference, State or other accolades will be published in the District's next newsletter.

# Railway Mentoring Program

at Altoona Schools

## THE PROGRAM:

The child and the volunteer meet at the child's school during a set day/time, Monday - Friday. Matches participate in activities at that site such as: playing a board game, playground activities, making crafts, or just hanging out and talking. Being a Big Brother or Big Sister is as simple as doing the things you already enjoy and sharing them with a child!

"I care about the whole her."  
-Big Sister Gloria

## VOLUNTEER REQUIREMENTS:

- 1 contact per week with a child.
- Matched based on mutual interests or complimentary personality traits.
- Spend at least 1 year with the child you are matched with.
- Must be 18 years of age or older.

For more information on volunteering contact us at:

When compared to their non-mentored peers, our Littles are:

- 52%** less likely to skip school. \*
- 46%** less likely to use illegal drugs. \*
- 90%** agreed their Big made them feel better about themselves. \*\*
- 81%** say their Big caused them to change what they thought possible in life. \*\*
- 77%** set higher goals than they would have on their own. \*\*
- 65%** say their Big helped them reach a higher level of education than they thought possible. \*\*
