School Board Appointment

On October 29, 2018, the Altoona School Board appointed Daniel “Dan” Gluch to fill the board seat vacated by long time board member, Helen Drawbert. Dan was one of four highly qualified candidates interviewed by the board at their October 29th meeting. His appointment term will expire in April 2019.

Dan and wife, Roi, have three children, Kye, AHS graduate 2018; Paxton, AHS grade 11 and Breeley, a 6th grader at AMS.

Dan is the Territory Director, Wisconsin Sales for Acuity Insurance, and the current treasurer for the Altoona Athletic Booster Club. He brings strong leadership and a passion for building our future. “We can continue to set students up for success by providing a quality school system that allows students to use their strengths, gifting’s, discoveries and desires towards academics and vocation.”

Dan’s intention is to be a board member “who, by example, intentionally hears the voice of our students, educators and staff ahead of my own. Our school system is the heart of the community and our community needs our school to be as healthy and successful as it can be. We will always be better together.”

Joyce Orth, Executive Assistant 715-839-6032
