"Railroader Six" Selected as Members to the Cloverbelt All-Conference Choir

Cloverbelt All-Conference student members were announced this week, and six Altoona High School choir students are among them: seniors, Madison Doney and Ashley Stashek; junior, Reagan Conklin; and freshmen, Olivia Everson, Jayla Saenwong, and Kalie Strehlau.

Students selected as Cloverbelt All-Conference represent the top student musicians of the 15-member schools, and we're proud to recognize our Railroaders.

"In a year unlike any other in our student's lives, it's great to recognize the talent and dedication of our students here at Altoona. These six young ladies represent the current and future of our program, and I'm proud of them for this accomplishment. Unfortunately, they won't have the excitement of performing as a member of the Cloverbelt Honor Choir this year, but they all still deserve this distinction." Mr. Ranek, Vocal Music Teacher, AHS
