

For Immediate Release: September 4, 2020

Altoona Rocks Scavenger Hunt

Together with the City of Altoona, Altoona Rocks announced their first "Rock It" Scavenger Hunt at River Prairie. The Scavenger Hunt is intended for people of all ages.

Participants should head to River Prairie, pick up a Clue Brochure from the red folder located outside the Parks and Rec building at 1419 Front Porch Place in River Prairie. Their objective is to find all 10 Altoona Rocks, following the clues each step of the way, take a photo of the rock and post it on social media (tag @AltoonaRocksSH on Facebook or @Altoona_Rocks on Instagram), and leave the rock in place for the next scavenger!

Just for the fun of it, here's Clue 1:

Corn on the cob? Not in this crib. Now, it's your job
Not to ad-lib. Stand under the bird. Stand right in the center.
South-west is preferred.
Between 2 mighty oaks you should enter. If you found the right spot.
Look there on the ground. You have hit the jackpot. The marked rock you have found.

Do we have your attention?

The Scavenger Hunt, which is managed by AHS sophomore Logan Anderson, is open through September.
