

School District of Altoona

Parameters for use of Oakleaf Stadium, CCF Depot, Prevea Health Scoreboard, Altoona Athletics Booster Club Press Box and additional equipment

Availability of Oakleaf Stadium

Oakleaf Stadium may only be rented by groups that are based within the School District of Altoona boundaries, unless otherwise approved by the superintendent/designee. The Stadium is available for rent on weekdays (after 6:30 p.m.) and weekends when not required for school/district activities. All activities must end by 10:00 PM, unless otherwise approved by the superintendent/designee. Availability may vary depending on school/district activities, so rental groups are encouraged to contact the high school activity office to verify availability prior to submitting rental request.

Use of Field Equipment and Other Equipment

No use of equipment shall be granted without prior permission from the Athletics and Activities Department. Equipment usage is subject to availability, so groups should plan to contact the Athletics and Activities Department for more information.

The use of the Altoona Athletics Boosters Press Box, sound system and/or Prevea Health Scoreboard is permitted, by request, when operated by a trained School District employee. When applicable, personnel rates will be charged according to hourly rates established by the District. It is not permitted for a group to turn on and/or use the Prevea Health Scoreboard and/or sound system or make any adjustments to it as they are pre-set to installer-levels for optimal school use. Groups may bring in their own portable scoreboard and sound system if they wish. The use of stadium lights are available, by request, when operated by a trained School District employee. When applicable, personnel rates will be charged according to hourly rates established by the District.

Food, gum and/or sunflower seeds are not permitted on turf and/or track. Please refer to signs posted around the stadium for more guidelines.

The CCF Depot shall not be granted without prior permission from the Athletics and Activities Department. Those wanting to rent the CCF Depot must also sign an agreement with the Altoona Athletics Booster Club. If restrooms are requested on the application for facility use, custodians will unlock for use by group.

School District Personnel

The School District of Altoona reserves the right to determine the number of personnel required for an activity. If District personnel are required to be present during rental use or use of equipment, personnel rates will apply.
